

Schematic: of optic nerve & its division M & L bundles  
projecting onto tectum of midbrain

- Copy & draw so well photog. at reduction of  $\frac{1}{2}$  - off  
on heavy enough paper so can erase  
& change
- line drawing w. some <sup>or shading</sup> stippling to give 3-D
- will add later - light 2. p. tone stippling to all but  
optic system
