Copy as will photograph at reduction of $\frac{1}{2}$ off.

on heavy enough paper so can erase + change

Schematic: of optic nerve & its division $M$ projecting onto tectum of midbrain

Copy & draw as will photograph at reduction of $\frac{1}{2}$ off

on heavy enough paper so can erase + change

— line drawing w. some stippling to give 3-D
— will add later—light zinc-tone stippling to all but optic system
